AWARD

BEFORE THE HIMACHAL PRADESH INDUSTRIAL TRIBUNAL, MANDI

REFERENCE NO. 1 OF 1971

In the matter of an Industrial Dispute.

between

The workmen posted at Simla Branch of M/s Spencer and Company Ltd., Delhi

Petitioners.

Versus

The Management of M/s Spencer and Company, Ltd., 19-A, Alipore Road, Delhi

Respondent.

WARD:

This is a reference under sub-section (5) of section 12 of the Industrial Disputes Act, 1947 arising out of a dispute

between the parties aforementioned. The matters referred for adjudication are as under:—

- (1) whether any grades and scales of pay should be fixed for the workmen of Simla Branch of M/s Spencer and Co.; Ltd.? If so, with what details?
- (2) whether any increase in dearness allowance should be allowed to the workmen of Simla Branch of the above Company? If so, at what rate and with what details?

The petitioners are represented by the Spencer's Employees Union which is a Trade Union registered under the Indian Trade Unions Act and recognised by the Management of M/s Spencer and Co., Ltd. as the representative body of the staff employed by the respondent Company.

It appears that before the dispute was referred by the Government to the Tribunal the parties had arrived at a settlement with regard to the dispute relating to the demand for increase in the dearness allowance, covered by term No. (2) of the reference. The settlement was reached on 14-11-1970 and the memorandum of settlement was duly signed by the representatives of the parties at Delhi. The parties however, did not inform the Government about the same and the matter relating thereto was referred for adjudication to the Tribunal on 29-5-1971, along with the dispute regarding fixation of grades and scales of the petitioners.

During pendency of these proceedings a settlement was reached between the parties on 19-8-1971 regarding item No. (1) of the reference as well, which covers the dispute relating to fixation of grade and scales of pay. The memorandum relating thereto has been produced before me and has been marked as Ex. R/1. The other memorandum was signed on 14-11-1970. Both the parties have filed copies of the same which tally with each other and the one filed by the respondent has been marked as Ex. R/2.

The representatives of the parties have been examined by me and the terms of settlements contained in R/1 and Ex. R/2 have been admitted by them to be correct. They have also made an application that the award may be given in terms of the settlements aforesaid.

As no other point of dispute remains to be settled between the parties I proceed to make the following award in accordance with the terms of settlements:

Rs. 4 for each additional 10 points rise. This linking of the additional D.A. to the cost of living index shall however, work both ways, i.e., for every increase of 10 points worker will get an additional Rs. 4 and in case during any period of six months the price index falls down by 10
